

The South Australian Sheep Industry Blueprint

An initiative of Livestock SA and the SA Sheep Advisory Group

Please join us for a livestock workshop comprising:

1. Key note presentation: use of fodder beet in lower south-east livestock production systems
2. SA Sheep Industry Blueprint update and consultation
3. Southern Australian Meat Research Council, SA consultation
SAMRC is the mechanism where red meat producers can advise MLA on research and industry development priorities.

When: Wednesday July 27th 4-6pm

Where: The Barn, 747 Glenelg River Road, Mount Gambier
